Membership can only be changed at the start of the fiscal year, September 1.

RENEWAL GOLD MEMBERS

Gold Members in Good Standing that have not been able to complete their required 15 hours for whatever reason are allowed to pay \$10 per hour for any hour missed. This does not apply to initial New Gold Membership hours. Fees are due with the next year's membership dues, September 1, without penalty. If the Gold Member fails to pay the \$10 per hour fee on or before September 30 their membership is lapsed. If they fail to bring their membership up to date 60 days after September 30 (November 30) their membership is terminated. A board may vote to extend the member an additional 30 days (December 30) in a meritorious case. This is in accordance with the club's By Laws.

NEW MEMBERS

New members will submit a membership application and their fee for the type of membership. New members will be contacted by a member of the Membership Committee to help them become familiar

with the requirements of the club. If the membership application is submitted on or after March 1st, membership dues are half price. New members have a year from their sign up month to put in their 15 initial membership hours. New Members will have the above mentioned benefits listed on the chart. Once they complete the 15 required hours they will have the benefits listed for the Renewal Gold Member. The Membership Committee is responsible for keeping track of New Members' hours. New Members will be assigned a Mentor if needed. A Mentor is a Gold Member in Good Standing that will help the New Member sign up for a cleaning assignment and other volunteer hours. When a new fiscal year comes up, September 1st the new member hours will be complied as any other Gold Member. If their Initial hours are not completed the hours will run concurrently in both columns for the new fiscal year until their anniversary date. On their Anniversary date if the hours are not completed they will fall off the membership roster and all benefits are canceled. The New Member may sign up to become a Gold or Basic Member but must start the entire process over with a new application, fees, and hours worked if applicable.
