

TRACKING

The Bay De Noc Kennel Club will be hosting a one day **beginners** tracking seminar, with instructors Jean Lyle and Barb Tardiff, on Saturday June 16 (rain or shine). The seminar will start at 9:00 AM and run until 4PM. The fee will be \$35.00 for members & \$50.00 for non members. Fee includes donuts and coffee or water in the morning. Please bring your own lunch. We do have a fridge at the kennel club so you can keep items cold. Registration and deposit of \$20 must be received no later than May 25. The seminar is limited to 8 teams (handler and 1 dog).

The only equipment needed is a buckle collar and 6ft leash. If you have a tracking harness, please bring that also. You will need lots of tasty treats for your dog (smelly is best, hot dogs are great) and his/her favorite toy. From now until the seminar hide that toy and do not let your dog play with it.

The morning part of the seminar will take place at the kennel club building. If you need directions they will be included later after all registrations are accepted. After lunch will be field work at Barb Tardiffs. She has a number of fields for us to work in. Her home is in Cornell which is a 7 minute trip from the kennel club building.

The morning session will work on line handling, map drawing, rules, and glove motivation, the afternoon session will be on getting your dog started on tracks, turns, and how to read your dog, This will be a rain or shine seminar-- If it is raining we will **still** work outside. (We will have the use of a building for the morning session and lunch , the afternoon with be outside). Please come prepared with rain gear, boots etc.

If you have any questions please call Jean Lyle at 420-2887 or email at summertime@chartermi.net Send registration and deposit to Jean Lyle 8606 M.5 Rd Gladstone MI. 49837 make check payable to Bay De Noc Kennel Club. Please call or email me as soon as possible to reserve a spot– **if we do not get 5 participants we will not hold this seminar.**
