

Obedience and Rally Fun Match

Canine Good Citizen and Trick Dog Evaluation will also be offered

Where: Bay de Noc Kennel Club – 6685 North 75 Drive – Escanaba

When: Saturday, November 2, 2019

Who Can Attend: Open to Public – any well-mannered dog may enter.
Due to limited crate space no un-entered dogs allowed in the building.

Cost: Each dog can be signed up for a maximum of two runs in Obedience and/or Rally – **\$5.00** for each dog each run.

Canine Good Citizen and Trick Dog Evaluations: **\$10.00** each.

This is a special price for this event.

How to Sign Up: No pre-registration required. You sign up and pay for the run(s) on the day of the fun match at the Bay de Noc Kennel Club building.

Times:

- Begin with **Obedience Utility** at 10:00 a.m.
- **Open** to follow
- **Novice** to follow
- **Beginner Novice** to follow
- **Rally Novice, Rally Advanced** and **Rally Excellent** to follow
- **Canine Good Citizen** testing will be held in the annex building beginning at 10:00 a.m.
- **Trick Dog** testing will be held in the training building after Beginner Novice (concurrent with Rally)

An acting judge will be available to call patterns and manage the run-thru's but there will be no scoring and no placements or prizes for Obedience or Rally. Mild corrections, toys and hand-held, non-crumbling treats will be allowed (however, treats cannot be thrown or placed directly on the equipment or the floor).

If you've wanted to know what it would be like to enter your dog in an Obedience or Rally show ring, this is a good way to introduce yourself and your dog to this sport and try it out without the stress of a real trial. This would also be a great place to work on problem areas in each of the classes.

NOTE: Due to limited space, only dogs entered will be allowed at this event. Your dog must be under your control at all times. If you arrive after the first event begins (at 10:00 a.m.), please be courteous to others and enter the building quietly.
